Q6 What does a safe bus stop look like to you and what places in our area would you suggest?

Answered: 23 Skipped: 2

#	RESPONSES	DATE
1	use same/ some of bus stops as school bus stops at different times	10/23/2021 12:01 PM
2	Near the store	10/16/2021 11:24 AM
3	It just needs to be somewhere that we could walk to. Maybe a couple of stops on Lakeview Tce and Capel Ave and Timsfield or Cemetery Rd. Door to door would be great but assigned bus stops are fine.	10/14/2021 3:25 PM
4	The existing bus stops which are used for the school bus route	10/10/2021 12:15 PM
5	Windmill corner	10/9/2021 7:55 PM
6	Use existing school bus stops.	10/7/2021 2:40 PM
7	outside the store, somewhere along lakview, a loop through timsfield	10/5/2021 8:37 PM
8	Any	10/5/2021 7:30 PM
9	For Lake Hawea: Current bus stops around Lake Hawea township are in appropriate locations (Lakeview Rd, Capelle Ave, Muir St, Cemetery Rd). Signage would be helpful for the locations/stops that don't have a bus shelters, ideally a bus shelter would be located at each stop (to protect from weather) however I don't think this is essential for service to run.	10/3/2021 11:51 PM
10	school bus stops would be a good start as they have shelters	10/3/2021 8:31 PM
11	If I have to drive to it, there is a place to park my car and I trust it won't be vandalised.	10/3/2021 9:19 AM
12	Good visibility for other drivers. Safe crossing for pedestrians. Excellent signage.	10/2/2021 11:39 PM
13	Somewhere with shelter, school bus stops could work	10/2/2021 9:11 PM
14	Shelter with pull off area for bus. Cemetery road near Sentinel \$ timsfield; Lakeview/ capell Ave	10/2/2021 8:38 PM
15	Hawea Pub/Store	10/2/2021 7:37 PM
16	There are lots of bus stops with shelters around area. Hopefully space nearby yo park car. Door to door would also be great	10/2/2021 5:58 PM
17	Dry, light, visible. Hawea flat school	10/2/2021 1:37 PM
18	Light,see through(glass),roof,save car parking options	10/2/2021 10:34 AM

9	anyone who wants to reduce their dependence on cars & their carbon footprint.	10/3/2021 8:31 PM
10	Could get older primary kids to town for after school activities for Hawea parents working in town. Could also have a service for people commuting to work (that would be different schedule)... and could be for elderly and people with mobility issues - that would probably require a different schedule and type of service again.	10/2/2021 11:39 PM

#	RESPONSES	DATE
1	long overdue plu rideshare relaunch might be good timing now	10/23/2021 12:01 PM
2	Thinking a service like this would be great. Might take a while for people to get into using it - but long term - a great idea	10/14/2021 3:25 PM
3	Just do it. Let's make the changes, now. If it's a proven option, even the most die hard drivers might find it useful for a night out.	10/7/2021 2:40 PM
4	Booking system - ideally no booking deadline for the day prior - if spots are available on the day perhaps a booking deadline of 1hr prior (although understand longer timeframe may be needed for staffing logistics)	10/3/2021 11:51 PM
5	great idea, have been needing this for years	10/3/2021 8:31 PM
6	There are so many parents working in wanakA that have to run out to Hawea to get their kids to take them back in to wanakA for after school activities. I don't think this is a target market that you might be intending a service for... but it might be one worth considering.	10/2/2021 11:39 PM
7	Awesome proposal and most needed service for Hawea.	10/2/2021 8:38 PM
8	If future planning in terms of transport not started now people (particularly older) will move away. Transport connecting to airport will be important if we don't want to see other airports in this area	10/2/2021 5:58 PM
9	If there was say a regular circular line in town connecting (1)waterfront to medical centre to 3 parks and another one connecting (2)waterfront to beacon point to Anderson road and maybe a third loop going towards (3)Edgewater and one doing (4)Northlake/Aubrey road And then bring a service in from Hawea/Hawea Flat,one from Luggate	10/2/2021 10:34 AM
10	Thank you for considering this, as well as providing more freedom for older kids this will help to keep kore cars off the road (reduce Carson footprint)	10/2/2021 10:01 AM
11	Brilliant idea! Shame the council hasn't already put something in place . Good work team!	10/2/2021 9:12 AM
12	In the 1980's the NZ Road Service bus left Wanaka in the morning via Lake Hawea - Hawea Flat - Luggate on it's way to Dunedin dropping passengers in Cromwell, Alexandra enroute to Dunedin for days shopping or appointments and were picked up in the afternoon by a returning NZ Road Service bus which worked well for our residence that couldn't drive.	10/1/2021 12:38 PM
